Read About These Three Girls. How Sick They Were and How Their Health Was Restored by Lydia E. Pinkham's Vegetable Compound.

Appleton, Wis.-" I take pleasure in writing year an account of my sickness. I told a friend of mine how I felt and she said I had female trouble and advised me to use Lydia E. Pinkham's Vegetable Compound, as she had taken it herself for the same trouble with wonderful results. I had been sickly for two years and overworked myself, and had such bad feelings every month that I could hardly walk for pain. I was very nervous and easily tired out and could not sleep nights. I had dizzy spells, and pimples came on my face. But I have taken your Lydia E. Pinkham's Vegetable Compound and it has restored my health. I think it is the best medicine in existence."-

Miss Cecilia M. Bauer, 1161 Lawrence St., Appleton, Wis. A SCHOOL TEACHER'S GRATITUDE:

These remedies have done wonders for me and I can highly and widely recommend them to every suffering woman."-Miss MINNIE SHAVER, R. F. D. No. 1, Geneva, Iowa, c/o Sam Erickson.

"I think your remedies are the best on earth and cannot express
my thankfulness to you for what they have done to me. I help my neighbors when they are sick, and I shall always recommend your medicines."—Miss Ella McCandless, Montrose, Col.
